Toronto, Ontario (July 5, 2019) – O3 Mining Inc. (TSXV:OIII) (the "**Corporation**") announces that it has filed an early warning report in respect of its holdings in Canadian Orebodies Inc. The Orebodies Shares were acquired indirectly through the acquisition of O3 Markets pursuant to the Arrangement and are being held for investment purposes. The Corporation has no current intention of increasing or decreasing its ownership of, or control or direction over, additional securities of Orebodies. Depending on market conditions, general economic and industry conditions, Orebodies' business and financial condition and/or other relevant factors, the Corporation may increase or decrease its beneficial ownership of securities of the Corporation through market transactions, private agreements or otherwise, in the future.
